Cocktail Reception

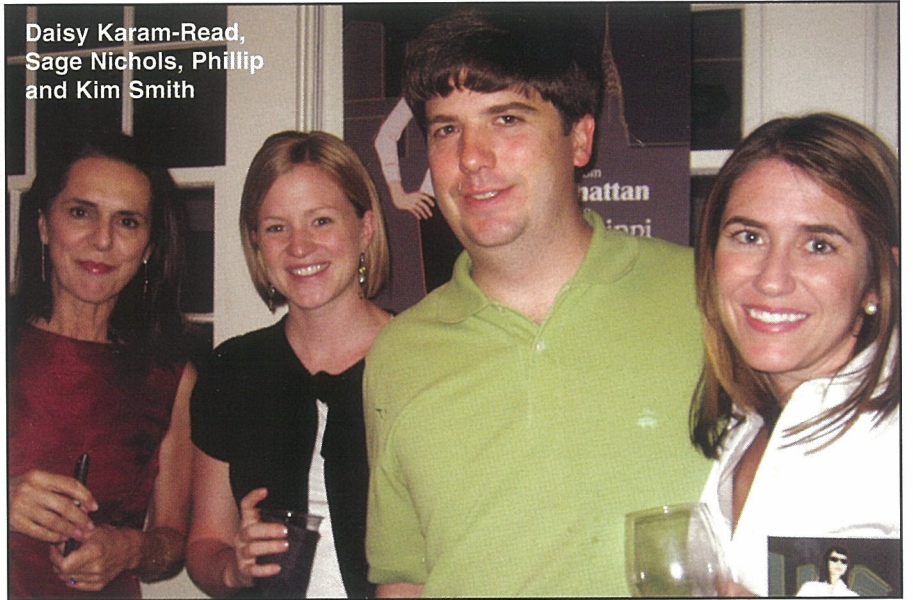

In the book, "From Manhattan to Mississippi: A New Yorker Falls in Love with the South," author Daisy Karam-Read celebrates the virtues of the Deep South and the uniqueness of its people and customs. Her observations provide a critique of an often misunderstood region.

A cocktail reception and book signing was recently hosted by Dawn, Lucy and Courtney Denton for Karam-Read. Guests sipped Manhattans and mint juleps and tasted hors d'oeuvres which represented Mississippi and New York favorites.
